Zosimo Hive - Regular

Uppercase Characters

Lowercase Characters

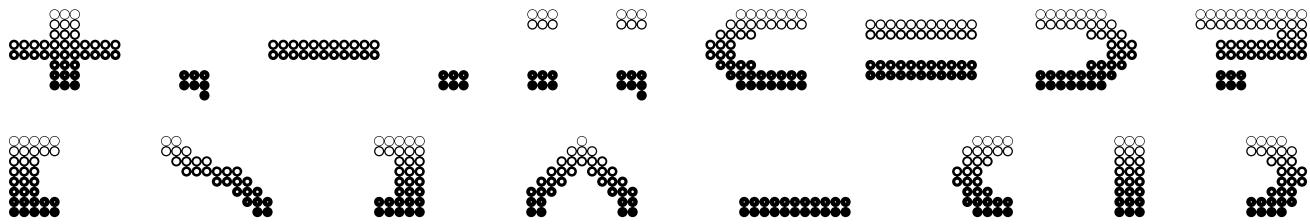

The image displays a 3x10 grid of 8-bit pixel art. The first two rows show the words "Hello," and "world!" respectively, while the third row shows the punctuation "!" and a blank space. Each character is composed of a 5x8 grid of black pixels on a white background.

Numbers

The image shows a sequence of binary digits (bits) arranged in two rows. The top row consists of eight groups of four dots each, representing the bits 11010101. The bottom row shows the corresponding bit values: 1, 1, 0, 1, 0, 1, 0, 1.

Punctuation and Symbols

A horizontal sequence of nine small diagrams, each consisting of a grid of circles (black and white) arranged in various patterns. The first diagram shows a vertical column of black circles. The second shows two separate groups of two white circles each. The third shows a cluster of black circles with several white circles above and to the right. The fourth shows a grid of black circles with a single white circle at the top center. The fifth shows a cluster of black circles with several white circles above and to the left. The sixth shows a cluster of black circles with several white circles below and to the right. The seventh shows a single white circle. The eighth shows a vertical column of black circles with a single white circle at the top. The ninth shows a cluster of black circles with several white circles below and to the left.

Uppercase Characters

Lowercase Characters

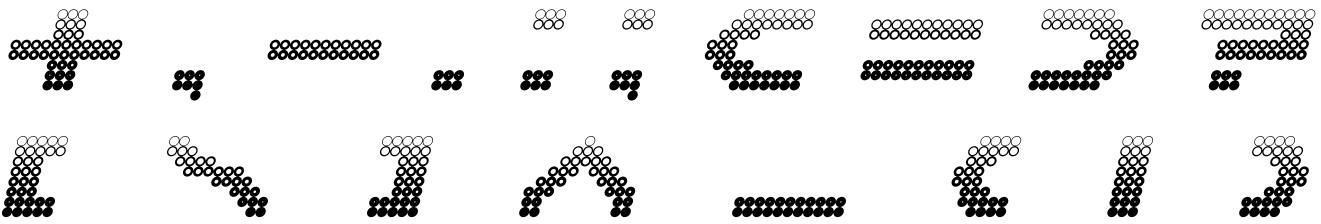

The image displays three rows of letters from the 'Pixel' font. Each letter is constructed from a grid of black circular pixels. The first row contains the letters 'a', 'b', 'c', 'd', 'e', 'f', 'g', 'h', 'i', 'j'. The second row contains 'k', 'l', 'm', 'n', 'o', 'p', 'q', 'r', 's', 't'. The third row contains 'u', 'v', 'w', 'x', 'y', 'z'. The letters have a distinct blocky, pixelated appearance.

Numbers

A decorative horizontal border consisting of a repeating pattern of small circles. The pattern includes various shapes such as squares, rectangles, and triangles, all formed by black and white circles arranged in a grid-like fashion.

Punctuation and Symbols

A horizontal sequence of nine small clusters of black and white circles, representing a step function approximation.
